RE: Winter Athletics and COVID-19

DATE: 01-05-21

Good Afternoon,

Here is an update on the 2021 winter athletic season.

Given the current MHSAA guidelines, the high school teams are tentatively planning on beginning practice on Saturday, Jan. 16. Not all of our high school teams will begin practicing on Saturday. Those that do not, will begin on Monday, January 18. Your coaches will be in touch with you regarding practice/tryout times. Listed below are the *expected* first days of competition for each:

Boys and Girls Bowling	Tuesday, January 26
Boys and Girls Basketball	Tuesday, January 26
Competitive Cheer	Saturday, January 30
Gymnastics	Monday, February 1
Ice Hockey	Friday, January 22
Wrestling	Wednesday, January 27

As of today, all of our dance competitions have been canceled. Coach and I are working to find virtual options.

Please know that we are playing an abbreviated, primarily, conference schedule. Some schools with limited team sports will schedule more games within the parameters of the MHSAA guidelines. Some schools will schedule less games. We are going to provide our athletes with a competitive season that works for the number of sports we host in our district. Our gyms will be active, and we will be running events throughout the abbreviated winter season.

Please know that the above dates and information is subject to change. Our office will continue to communicate with you as we get more information.

Sincerely,

Charlie O'Dell, Director of Athletics
Kenowa Hills High School
